To Whom It may Concern

Health Care professionals Federal Credit Union has conducted business with Recovery Solutions for three years and we could not be happier with the outcome. They are very professional in their preparation for our testing and their flexibility for scheduling our testing is always helpful.

Testing at their site generally takes less than 2 hours and the documentation of the testing is always complete. If you have any questions, please feel free to contact me at any time

Respectfully,

Todd Dooley
Vice President Operations and Compliance
